MADCUP FOOTBALL WORLD CUP

MADCUP FOOTBALL WORLD CUP was created with the goal of bringing together, in Madrid, MADCUP National Selection representing up to 40 countries.

A new international competition for boys' U10 and U12 teams and girls' U12 and U14 teams, where each team will defend their colors, represent their country's footballing identity, and share an unforgettable experience with young people from all over the world.

The Community of Madrid will be the setting for a week defined by competition, flags, anthems, cultural exchange, and the excitement of the grand finals.

This is football.
This is identity.
This is **MADCUP FOOTBALL WORLD CUP**.

WHAT IS A **MADCUP** SELECTION

The **MADCUP selections** will be teams created specifically to participate in **MADCUP FOOTBALL WORLD CUP** and represent a **country** within the competition.

They may be made up of players selected through academies, clubs, agents, invitations or sports events developed in each territory.

Each **MADCUP** Selection will compete with its own identity and equipment, inspired by the colors of their country, within an international experience produced by **MADCUP**.

***Informational note:**

MADCUP National Selections are representative squads created specifically to take part in this competition. They are not official national teams.
